# Global Information Systems and Technology Focus on the Organization and Its Functional Areas (Series in Global Information Technology Management)

Focuses on global IT applications at the functional levels of the organisation, examining such subjects as: how to realise the potential of IS in a global market; how applications can overcome currency and accounting problems; and how to use IT to manufacture products for multiple markets.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days   Some temptations are just to good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those â€œEnd of the Worldâ€• conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are â€œsavedâ€• will rejoice in the heavens.
