

Sexual Harassment and Sexual Abuse: A Handbook for Teachers and Administrators

What constitutes sexual harassment between staff members in schools? Between students? Between students and staff? This Handbook examines these questions in relation to adult-to-student and student-to-student interactions. The authors define sexual harassment and abuse in schools, explain how it can be recognized and suggest ways to create and foster a healthy environment free of harassment and abuse. They also outline the best way to handle complaints and discuss policies and procedures that will be supportive to both staff and students.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
