

True Horsemanship Through Feel

Expert horseman Bill Dorrance chose the name True Horsemanship Through Feel because feel is the language of horses. Learning that language can expand any horseman's knowledge and abilities -- whether they are learning to rope, ride, or start horses. In language that is generously detailed and packed with meaning, Dorrance directs our attention to the many subtle things there are to notice about the ways that horses and humans operate. In these pages, he urges us to reach toward a deeper level of insight into horses and ourselves, as he ladles out a wealth of helpful information. With hundreds of illustrations, True Horsemanship Through Feel takes you step-by-step through the basic maneuvers that will show you how to handle and ride your horse without the struggles that have characterized horse-human relations for centuries. Drawing on his years of experience, Bill Dorrance crafted a book that imparts the knowledge only previously available by word of mouth.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
