

## Better Recreational Golf (Left-Handers Edition): Improve Your Game In the Time You Have

Many recreational golfers have a family, career, and outside interests that leave them little time to play golf and none to practice. Better Recreational Golf shows you how to find time to practice, and what to practice, that will have greatest benefit for your game. Best of all, most of it can be done at home. BRG was written by a recreational golfer who knows the recreational game. You'll learn how to hit the ball straight, get your short shot on the green the first time, and get down in two putts. You'll find out how to make your mind your biggest asset on the course. This new edition of Better Recreational Golf is fully adapted for the left-handed golfer. The text and illustrations show how to play golf left-handed without having to transpose instruction designed for right-handers.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
