

What Does it Mean to be White?: Developing White Racial Literacy (Counterpoints)

What does it mean to be white in a society that proclaims race meaningless yet is deeply divided by race? In the face of pervasive racial inequality and segregation, most whites cannot answer that question. Robin DiAngelo argues that a number of factors make this question difficult for whites: miseducation about what racism is; ideologies such as individualism and colorblindness; defensiveness; and a need to protect (rather than expand) our worldviews. These factors contribute to what she terms white racial illiteracy. Speaking as a white person to other white people, Dr. DiAngelo clearly and compellingly takes readers through an analysis of white socialization. She describes how race shapes the lives of white people, explains what makes racism so hard for whites to see, identifies common white racial patterns, and speaks back to popular white narratives that work to deny racism. Written as an accessible introduction to white identity from an anti-racist framework, *What Does It Mean To Be White?* is an invaluable resource for members of diversity and anti-racism programs and study groups and students of sociology, psychology, education, and other disciplines.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
