

Digital Age Marketing for Small Businesses

The Digital Age offers entrepreneurs and small businesses unparalleled, direct access to consumers and has leveled the playing field between small and big business in terms of reach versus cost. But the possibilities are overwhelming and the techniques necessary to capitalize on this reach are specialized and confusing. This book demystifies marketing in the Digital Age - the possibilities and the possesses. It helps you identify which places to concentrate your efforts, and teach you how to evaluate the effectiveness of your campaigns.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
