

What You Accept is What You Teach: Setting Standards for Employee Accountability

While everyone is accountable for their own behavior, leaders are ultimately responsible for employee performance. By setting their own standards of exceptional performance, managers teach their employees to accept accountability for their own actions and attitudes. What You Accept is What You Teach is the perfect how to guide for navigating the maze of challenging employee communication and performance problems. It is an excellent resource for developing a healthy culture of accountability and improved employee performance. In use by more than 25,000 managers nation-wide.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
