

El cansancio moral: La epidemia del siglo XXI (Cuadrilatero de libros) (Spanish Edition)

It is easy to detect in our society a sense of psychological and emotional exhaustion that seems to become deeper every day. When added to the demands of today's busy lifestyle, dominated by technology, emergencies, and frustrations, negative events overwhelm us and cause emotional stress. The authors model their principles after genuine role models (Montessori, Krishnamurti, Mandela ...) and propose 10 antidotes to protect us from this terrible modern disease. Following these guidelines we learn to reconnect with ourselves and achieve full control over our emotional life.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
