

Vorlesen digital (Media Convergence / Medienkonvergenz) (German Edition)

How do digital media change the way we read aloud, a key cultural tool for reading socialization? This qualitative study focuses on this central question. Using the structural-genetic approach to socialization research, the book analyzes the reading-aloud practices of eight families from data obtained through videography. Of particular interest is the impact of the digital picture book on the interactional structure of reading aloud.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
