

Advancing the Frontier - The Life of Hezekiah Boone and His Descendents

Whenever the name Boone is mentioned, the public immediately thinks of the name Daniel Boone, and associates it with exploration of unknown territory by an early American frontiersman. However, Daniel was not the only Boone who helped push the American frontier from sea to shining sea. There seemed to be a natural proclivity for exploration in the Boone family. They were typically among the first to move into new regions in search of land, adventure, and personal freedom. This book traces the life of one of those other Boones, Hezekiah Boone, son of George Boone IV, and the cousin of Daniel Boone. In only two generations, Hezekiah and his son Mordecai Boone moved their families from Pennsylvania, through multiple locations in Virginia, to Tennessee, Kentucky, Alabama, Mississippi, and finally to Texas, where many of their descendents remain. Affiliated family lines of Wigley, Burt, McGee, Adams, Lane, Altizer, McGregor, Gibbons, Bustinza, and Cavazos are also included.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
