

More Than Your Words: Harness the power of your most effective speaking voice

Amazingly, many of the same techniques associated with dynamic individual communication, reading aloud or making a memorable sales presentation also provide the backbone for impactful public speaking. More Than Your Words exposes a dramatic and easily read compilation, from decades of research, of well kept secrets. These secrets have been employed by master communicators, actors, musicians, voiceover artists, sales professionals and renowned public speakers. The revelation of these hidden techniques is presented in a conversational manner that everyone can understand. This, along with accompanying audio tracks, enables virtually anyone to immediately implement positive changes in their speech patterns. The reader will become a more impactful and powerful communicator, whether speaking with one individual or addressing an audience of a thousand. Be prepared to be more interesting, better understood and remembered, resulting in individual and career successes, ultimately leading to increased earning potential.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
