

Watching From The Shadows: Trident Security Book 5

The Sexy Six-Pack is back! Retired Navy SEAL, Marco DeAngelis is now an operative at Trident Security. He's also a Dominant in the BDSM lifestyle. After a neglected childhood, he is determined to stay single and childless for the rest of his life. But unbeknownst to him, one night of shared grief and comfort with his deceased sister's best friend changes that forever. Harper Williams had always found her best friend's brother attractive and the more she got to know him, the more she liked him. But Marco has made it perfectly clear a wife and children aren't for him, even if he no longer has a say in the matter. If he didn't want to be involved in his child's life, then that was his problem. When Harper is left unconscious after a violent home invasion, the two are thrown back together and become embroiled in a web of lies and deceit of someone else's making. Will they lose their baby and their lives? The Trident Security Series: Book 1 - Leather & Lace (Devon & Kristen) Book 2 - His Angel (Ian & Angie) Book 3 - Waiting For Him Book 3.5 - Not Negotiable: A Novella (Parker & Shelby) Book 4 - Topping the Alpha (Jake & Nick) Book 5 - Watching From the Shadows (Marco & Harper) Book 5.5 - Whiskey Tribute: A Novella (Curt & Dana)

The books of the Trident Security Series can be read as stand-alones, however, for optimum enjoyment they are best read in order.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
