

Preserving Memories: Growing Up in My Mothers Kitchen

Combining fruit and sugar to create sweet preserves is a time honored tradition, and one that has been enjoyed from coast to coast. Recipes for jams, jellies, and preserves are more than just instructions; they are a bridge from one generation to the next. Preserving Memories combines the art of creating preserves with stories and memories that will not only warm the heart but please the palette.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
