

## The Glory of Rome: Campaign Sourcebook (Advanced Dungeons & Dragons, 2nd Edition, Historical Reference, Hr5 Rome)

One-thousand years of history are woven around the story of Rome. With this AD&D game supplement, PCs can stand fast before a mass of charging Gauls with Julius Caesar, vie for the emperors attention in the coliseum, bellow oratory in the senate, or dispense the pax romana to the ends of the earth in the name of emperor Hadrian. The Glory of Rome describes Roman character kits, magic, equipment, culture, and settings for exciting role-playing in Earths past or in a Roman-style realm in any gaming world. Experience the grandeur that was Rome!

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
