

The Atheists Way: Living Well Without Gods

A BLUEPRINT FOR A MEANINGFUL LIFE. In *The Atheists Way*, Eric Maisel teaches you how to make rich personal meaning despite the absence of beneficent gods and the indifference of the universe to human concerns. Exploding the myth that there is any meaning to find or to seek, Dr. Maisel explains why the paradigm shift from seeking meaning to making meaning is this century's most pressing intellectual goal. Unlike many other books on atheism, which deal with the question of God's existence, *The Atheists Way* attempts to answer a different question: So you don't believe - now what? How do you bravely face the world as it is and create meaning for yourself without the crutch of a divine benefactor? Eric Maisel's wise suggestions, musings, and insights are a wonderful resource for your quest.
