

Aging in Place

Your next adventure in life is all about freedom and it starts with independence at home. Aging in Place An Established Plan to Give You Independence You enjoy your home and like how you have always been able to get around and do what you want. But now you find things aren't so easy anymore, and it would be nice to know that there are people and services that can increase your sense of freedom. Aging in Place home modification plans are the answer. You can make many changes, large and small such as: Lowering your counter tops Widening doorways and adding wheelchair ramps Putting a full master bedroom suite on the first floor Helping you move easily among levels of your home with private elevators or wheelchair lifts. Making your bathroom safer and more accessible with grab bars and roll in showers. Assist you in getting around outside in a scooter or wheelchair.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
