

Desire Untamed (Feral Warriors)

Kara MacAllister thinks she's just an average, small-town preschool teacher until the night a mysterious stranger shows up at her door claiming that she's not only immortal, but the chosen one of a band of powerful shape-shifting males. Lyon steals her away from everything she knows and thrusts her into a world beyond her comprehension, a world filled with magic, nightmares, and perilous danger where Kara discovers an inner strength she never knew she possessed, and a passion in the arms of Lyon beyond anything she ever imagined. As he works with Kara, preparing her to become the source of power for the Feral Warriors, Lyon is swept away by her vulnerable beauty and tempted beyond all reason by a desire he can't deny. But when Lyon realizes his band of warriors has been infiltrated by an ancient evil, he begins to question whether Kara is quite as innocent as she seems. And he begins to wonder if the woman whose stolen his heart is destined to be his salvation...or his doom.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
