

# Golf For Beginners: Learn How to Play Golf, the Rules of Golf, and Other Golf Tips for Beginners

Golf is unique in that it is a solitary sport. In competitive golf, another players performance will have absolutely no effect on your performance and vice versa. In even the most elite of high-profile golf competitions, all golfers are ultimately competing against no one other than themselves. This is why its important, as you learn and grow in the game, to play within your own capability. One of the most frequent and preventable mistakes that golfers make at every skill level is attempting to emulate or keep up with their peers. If youre just beginning to play, dont expect (or try) to become a golf pro overnight. Instead, just focus on accepting your game for what it is and gradually steering yourself towards excellence. Good golfing is patient golfing. This book is designed to be a beginners guide to the basics of golf. It wont turn you into Tiger Woods, but it will certainly prevent you from seeming clueless or having to ask embarrassing questions on the course. By the end of this book, youll know what clubs to use, how to hold them, the rules of the game, how the scoring system works, and important golf etiquette. Lets get started!

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just to good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
