# Intranet Working

Intranet Working shows readers how to implement and use a browser as a front end, replacing more expensive systems such as Lotus Notes or Microsoft Exchange. It explains how to implement email, improve efficiency via customized file exchange, and develop a local area network into a virtual data exchange-where information is easily exchanged through one convenient front end.-- Details how to effectively set up Intranet security-- Explains how to configure and manage Web, FTP, WAIS, and gopher services-- Provides information on using Unix or Windows NT as a backbone

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days   Some temptations are just to good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those â€œEnd of the Worldâ€• conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are â€œsavedâ€• will rejoice in the heavens.
