

Memory Techniques in a Week

A powerful memory is an essential business tool. For most people, learning is a chore and remembering is a constant battle, but this book demonstrates that imagination is the key. Using your creative mind to make information memorable aids in remembering names, schedules, documents, facts, numbers, and lists, as well as improving your creativity and problem-solving, boosting your efficiency, and making what you say and do memorable to others.

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
