

## Shattered People: Journeys to Love

Journeys to Love continues the saga of people being healed after a lifetime of abuse, as they discover and accept the truth about God's love. Walk beside them over the next four years as they begin to learn the reasons for their survival and why God said to them; I will love you with an everlasting love and I will heal you. Your wholeness will be found in Me—not as the world understands wholeness, but as I give it. You will remain a multiple for My purposes because each of you will have a testimony to give about My power to heal and receive all who come to Me. These people will struggle through life's most imposing questions facing all of us. What is God's definition of a person: body, mind, soul and spirit? Does the soul exist in two dimensions simultaneously and live beyond the body's death? Why does God save them, only to allow them to continue to suffer physically, emotionally and spiritually in this world? Why is evil so adamant in attempting to break their relationship with God? Can they trust God enough to survive in a world that doesn't accept them?

So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
