

His Name Is Ron: Our Search for Justice

This book is not about OJ. Simpson or his Dream Team. This book is not another rehash of the Trial of the Century. It is about Ron Goldman and his blended family. Overnight and through tragedy, this quiet, closely knit family became enmeshed in one of the ugliest and most controversial crimes in recent history. The Goldmans provide a wrenching account, in their own words, of the ripple effect that occurs when a beloved family member is murdered, and the extra burdens that develop when grief becomes a public spectacle. But, more important, the family puts a name, a face, a soul, to the young man referred to in the press only as a friend of... or a part-time waiter and sometime model. The Goldmans are a family with whom all of us can identify. They share memories of happier times and recount, moment by moment, learning of Rons untimely death and the nightmare that followed. They share their reactions throughout the criminal trial up to and including the heart-stopping verdict. And they reveal the details of the civil trial that were never before allowed to be made public, due to the gag order imposed on all participants. And finally, they reveal their determination to bring much-needed reforms to the criminal justice system and to give voices to other victims of violent crimes. Much of what Rons family has to say will surprise you... will enrage you... And most of all will break your heart.

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just to good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
