

Dungeons & Dragons Dungeon Masters Screen

Official Dungeon Masters screen for the 4th Edition Dungeons & Dragons Roleplaying Game. This four-panel cardstock screen features new full-color artwork and allows Dungeon Masters to keep their campaign notes and die rolls private, without blocking their view of the game table. Easy-to-reference rules and tables appear on the inside panels of the screen; these are designed for the Dungeon Masters eyes only and comply with the rules in the 4th Edition Dungeons & Dragons core rulebooks.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
