

The End of Dont Ask, Dont Tell: The Impact in Studies and Personal Essays by Service Members and Veterans

Featuring 4 reports and 25 personal essays from diverse voices both straight and gay representing U.S. Marine Corps, Army, Navy, and Air Force veterans and service members, this anthology examines the impact of Dont Ask, Dont Tell and its repeal on 20 September 2011 in order to benefit policy makers, historians, researchers, and general readers. Topics include lessons from foreign militaries, serving while openly gay, women at war, returning to duty, marching forward after repeal, and support for the committed same-sex partners and families of gay service members.
