

Daughter, Mother, Me: A memoir of love, loss and dirty dishes

In life women can have many labels: daughter, single girl, wife, career woman, mother. I had worn them all and, while life was hectic, I was the one in control. Then four days after the birth of my third daughter, my mum had a massive stroke and, just like that, everything changed. Over the time to come - what I call the Sandwich Years - I found myself both grieving for and caring for my beloved mum, supporting my dad, raising my three young daughters, while trying to get my career back on track. The cracks began to show. I discovered that, sometimes, having it all, means doing it all and that, amid the maelstrom of need, I had lost the label I had started out with: me. Daughter, Mother, Me is the heartfelt, inspirational story of the bond between a mother and a daughter and how one woman - through caring for the person she had relied on the most - finally found herself.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
