

The Saulis Dating Guide: A Comprehensive Guide on How to Consistently Get Laid on The First Date

This guide, brought to you by Saulis Dating, is made for those who are tired of not getting the girls that they've always wanted and those who are tired of wasting their time on dates that don't lead to anything! You will learn the following things: Real and practical information that you can use on your very next date to change its outcome and ensure your success. Everything that you need to say and do on your dates in order to get laid. How to carry and groom yourself, become comfortable in your own skin and develop your Masculinity. How to become outcome independent, confident, fun and exciting on your dates - plus other attributes of a sex-worthy man! How to turn a girl on with conversation and physicality so that she'll want to sleep with you at the end of the date. How to quickly build attraction, sexual tension, comfort, trust, and rapport with a girl - the main things that get you laid. How to effectively Tease and Flirt with girls. The Complete Blueprint of a Successful Date - from start to finish! From meeting the girl to attracting her, seducing her and eventually taking her home! Five little known yet very important reasons why you fail to keep the girl's attention and spark any attraction during your dates! The biggest mistakes guys make on dates and how to completely avoid them! Conversation techniques to essentially never run out of things to say on dates! The one thing you must do to command attention during your dates! All that and much more! The vast majority of the material in this guide is original and unique - developed solely by one expert and successfully tested with consistently positive results by a respectable number of people around the world! You won't find this material anywhere else! This guide is specifically about Dates, not Pickup! There is a plethora of useful information about pickup on the Internet already, that's why this

guide will focus solely on the most difficult part of seduction - The Date! Many guys can get phone numbers and set up dates, but when they finally meet the girl, they don't know what to do and what to say to her, in order to connect with her, have a fun and exciting date and then effectively seduce her! Eventually, that kind of awkward date fizzles out and the guys struck out, leaving them feeling completely frustrated, sad and even angry at themselves! To prevent this and ensure that your dates go smoothly and become incredibly successful, this guide will provide you with a full and in-depth Blueprint of a Date, along with a huge number of unique and extremely effective techniques. You'll learn how to tease and flirt with girls, how to establish intimate and playful touching, how to have a fun, flirty and sexual conversation with them, how to connect with them on a deeper level and how to become a sex-worthy guy that girls crave, by getting yourself into the proper mental state before the date. It'll cover both inner and outer game and include dates from start to finish, giving a massive amount of examples, describing everything you need to do in order to be successful with girls. It works for everyone; from the nerdiest of nerds to the coolest guys who just want to find something different and effective that works consistently! If you are stuck in the dreaded friend-zone, this guide will show you how to effectively get out of it! Even better, it will show you how to never ever get friend-zoned in the first place! The book is over 62000 words long and is one of the most useful and in-depth guides you will ever read about seduction. It's the culmination of over 10 years of vast seduction experience put into words and it will change your whole outlook on being successful with women, greatly improving the general quality of your life! It focuses on self-improvement and being genuine and authentic in all of your interactions with women while exuding a flirty vibe - a trait which women find utterly disarming
