

Neuroplasticity: The Brains Way of Healing: Ultimate Guide to Using Brain Plasticity and Rewiring Your Brain for Change

Are You Ready to Start Using Your Brains Natural Abilities to Change Your Life? For years it was believed that the brain was fully matured and developed by our very early teenage years. However, in recent years there have been quantum leaps in the field of brain research and scientists have found this to be far from the truth. We have seen first-hand cases where patients make near miraculous recoveries from debilitating brain injuries including alleviating chronic pain, children with autism normalizing, and the great reduction or complete disappearance of the symptoms of individuals suffering from Parkinsons disease, cerebral palsy, and many other previously thought permanent and devastating diseases. These miracles were all performed without scalpels, nasty scars, or invasive procedures. The key to these recoveries was the brains natural ability to heal. This book dives into great detail on how to apply your brains natural powers and ability to reconstruct and rewire to enhance the quality of your life. Use your brains natural gifts to change behaviors, make new habits stick, and gain an amazing new perspective on existence. If you are hoping to improve memory, stave off dementia, and create more productive skills quickly and permanently then this ultimate guide is for you. I truly hope you enjoy this book and best of luck on your journey to the brain mastery! What Information Will Be Shared and What Questions Will be Answered? What can neuroplasticity do for you and how you can make sure that happens. What the pillars of neuroplasticity are and how to use them to your advantage. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
