

## Breakfast with Santa

Six years ago Katelyn experienced heaven in Mark Logan's arms. But when Mark joined the Special Forces, he left her with shattered dreams and, unbeknownst to him, carrying his unborn baby. Now, he's back in Lobster Cove, and she's engaged to another man. But with her fiancé in Norway, Katelyn volunteers to play an elf at the annual Breakfast with Santa event. Mark Logan—aka Santa—can't keep his eyes off Katelyn in her sexy elf outfit, which brings back feelings better left hidden. After all, he only returned to Lobster Cove to keep his two-year-old son safe from kidnappers, not to rekindle an old romance. Katelyn, conflicted between her renewed feelings for Mark and the secret she's kept from him, flies to Norway to reaffirm her feelings for her fiancé. But when she arrives, she discovers a startling truth. Will unearthed secrets be the key to her happiness or heartache?
