

## Walking Through Fog: A Christian Perspective on Fibromyalgia

Anyone who has dealt with a chronic disease has known the sleepless nights, the endless pain, the seemingly pointless doctor visits, and the well-meaning but sometimes hard to face comments from well-wishers who just don't get it. In this book you will find empathy from someone who faces that same struggle, some words of encouragement, and hopefully a place to let your hair down and just relax for a bit, knowing that you're understood and there is no pressure to get well soon. Who knew that could feel like a challenge? As we spoonies like to say, I hope you feel less awful than you did yesterday...
