

Pride and Promiscuity: The Lost Sex Scenes of Jane Austen

In 2002, two amateur Jane Austen scholars, while staying at a Hertfordshire estate, stumbled upon a hidden cache of manuscript pages and made an extraordinary literary discovery - lost scenes from Jane Austen's novels that reveal an altogether different dimension to her oeuvre. Hidden by Jane Austen's younger sister Cassie in 1818, these missing pages throw an entirely new light on all of Austen's work making explicit the latent and repressed sexuality that underlies much of her fiction. The discovery also forces new assessments of Austen herself. For along with these pages they found letters to her editor, Thomas Egerton, and her sister arguing and anguishing over the extensive cuts that she was asked to make in order for her novels to be seen as acceptable and decent to her publisher. Published for the first time these missing pages are sure to astonish and delight every avowed Austen devotee and all those devotees to come. *Pride and Promiscuity* is a landmark publication of indescribable importance.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
