

The Official Army Wilderness Survival Manual: Tips and Tactics for Tools, Shelter, Food, Weaponry, Medicine, Tracking, Evasion, and Everything Else You Need to Know to Survive in the Wilderness

Whether you expect to be in the wilderness, or you just want to be prepared in these uncertain times, learn hundreds of essential survival skills from the training manual used by the U.S. Army. Learn how to make a fire under any conditions, and how to purify water...how to build a shelter from just the materials at hand...how to use the sun, stars, and clouds to navigate and predict the weather...how to eat safe plants and avoid poisonous ones...how to build weapons, and catch or kill wild animals...how to track, how to use camouflage, and how to avoid being tracked by others. Learn field medical techniques from splinting a broken bone to emergency surgery. Learn special skills for survival at sea, in the desert, in snow, and in swampland. Finally, The Official Army Wilderness Survival Handbook includes chapters on nuclear, chemical, and biological warfare--and how to survive in case of surprise attack and exposure to harsh, man-made conditions. The Official Army Wilderness Survival Handbook is a concise, portable reference you can even carry into the wilderness. This manual includes Army Field Manual 3-05.70, with no appendices.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
