

Unbeaten

For Kim Woodburn finding fame in her 60s in the smash hit television series *How Clean is Your House?* with fellow dust-buster Aggie Mackenzie is like living a fairytale. Often she has simply wished that she had never been born, for Kim has overcome horrific emotional and physical abuse both at the hands of her alcoholic mother and her philandering, sexually abusive father. In her brave and revealing story Kims memories of growing up are not of love and cuddles, but of beatings and random cruelty. Shuttled between the brutal houses of her warring parents, a succession of miserable childrens homes and a grim convent - Kims past has cast a long shadow over her life. But just before her sixteenth birthday she finally made her escape. It has taken decades of hard work, and a wonderfully happy marriage to conquer depression but now she has emerged unbowed and unbeaten as Britains Queen of Clean.
