

Treatment Manual for Anorexia Nervosa, Second Edition: A Family-Based Approach

This indispensable manual presents the leading empirically supported treatment approach for adolescents with anorexia nervosa (AN). What sets family-based treatment apart is the central role played by parents and siblings throughout therapy. The book gives practitioners a clear framework for mobilizing parents to promote their child's weight restoration and healthy eating; improving parent/n-/child relationships; and getting adolescent development back on track. Each phase of therapy is described in session-by-session detail. In-depth case illustrations show how to engage clients while flexibly implementing the validated treatment procedures. New to This Edition *Reflects the latest knowledge on AN and its treatment, including additional research supporting the approach. *Clarifies key concepts and techniques. *Chapter on emerging directions in training and treatment dissemination. *Many new clinical strategies.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
