

Couple Treatment: Assessment and Intervention

Most people live in couple relationships for a good part of their lives, and many couples experience distress and seek help. To support the professionals who treat these couples, Dr Nelsen organizes material from systems and cognitive-behavioural approaches as well as ego psychology and object relations theory in one solid, nonjudgmental volume.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
