

NMS Medicine (National Medical Series for Independent Study)

NMS Medicine, Sixth Edition is the ideal reference and review for medical students in the internal medicine clerkship. The concise, outline-format coverage of essentials, end-of-chapter USMLE-style questions, and case studies at the end of the book offer excellent preparation for the shelf/end-of-rotation exam and USMLE. This edition has been thoroughly updated and streamlined to focus on essential material. The revised questions better reflect the level of difficulty of shelf/end-of-rotation exams. The book has a new two-color design with more illustrations and wider margins for notes. A companion Website offers the fully searchable text, additional material which is indicated in the book by icons, and a comprehensive examination.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just to good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
