

The Church and Social Reform: The Policies of the Patriarch Athanasios of Constantinople

The Church and Social Reform studies the nature and extent of Athanasios social reforms and political involvement during his two tenures on the patriarchal throne of Constantinople. The traditional influence, power, and authority that resided in the patriarchate of Constantinople made the involvement of an aggressive patriarch in the social affairs of the empire virtually inevitable.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
