

## The Legends of the Jews - Volume 2

Louis Ginzberg was born in Lithuania and later moved to New York. He is considered to be a leading Talmudist in the 20th century. Ginzberg believed in Halakha. Halakha is a body of Jewish law including biblical law, Talmudic law, and rabbinic law. Judaism does not distinguish between religious and non-religious law. Legends of the Jews is a multi volume set encompassing hundreds of legends and parables from the Hebrew Bible. Midrash is the retelling of Bible stories where moralistic stories are alongside mythical tales of magic and demons. This reference work is a good source for unanswered Biblical questions and the source of post Biblical stories not contained in the Bible.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
