

## My Life in Pictures

In 2003, Andrew Flintoff, the 25-year old Lancashire all-rounder dramatically staked his claim as the most exciting presence in the English cricket since Ian Botham. Whether performing in the county game or internationally, Freddie empties the bars as he comes in to bat, as no one hits the ball harder and further than he does. This illustrated book celebrates a tremendous sportsman in great action pictures, private photographs, and in his own revealing words that explain the difficulties he has overcome to reach the pinnacle of the game.

So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
