

# Collapse of Burning Buildings : A Guide to Fireground Safety (Study Guide)

Learn how to protect yourself from collapse by understanding why it occurs and the signs that lead to it. Dunn reviews general building design and construction methods, along with the types of collapses that may occur. He also documents hazards that occur with master stream operations and buildings under construction.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
