

Willapa National Wildlife Refuge: An Introduction to Common Plants & Animals (Pocket Naturalist Guide Series)

Willapa National Wildlife Refuge, located in southwest Washington, was established in 1937 to protect migrating and wintering populations of brant, waterfowl, shorebirds, and other migratory birds. The Refuge preserves a number of unique ecosystems including diverse salt marshes, rich tide flats, rain-drenched old growth forest and dynamic coastal dunes. This beautifully illustrated guide that highlights over 140 familiar and unique species of plants and animals and includes an area map. Laminated for durability, this lightweight, pocket-sized folding guide is an excellent source of portable information and ideal for field use by visitors and residents alike. Made in the USA.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
