

Emotional Alchemy: How the Mind Can Heal the Heart

Alchemists sought to transform lead into gold. In the same way, says Tara Bennett-Goleman, we all have the natural ability to turn our moments of confusion and emotional pain into insightful clarity. Emotional Alchemy maps the mind and shows how, according to recent advances in cognitive therapy, most of what troubles us falls into ten basic emotional patterns, including fear of abandonment, social exclusion (the feeling we don't belong), and vulnerability (the feeling that some catastrophe will occur). Through this program we can free ourselves and others, and the freedom to be more creative and alive. This remarkable program also teaches the practice of mindfulness, an awareness that lets us see things as they truly are without distortion, or judgement, giving the most insightful explanation of how mindfulness can change not only our lives, but the very structure of our brains. Here is a beautifully rendered work full of Buddhist wisdom and stories of how people have used mindfulness to conquer their self-defeating habits. The result is a whole new way of approaching our relationships, work, and internal lives.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
