

Australias Sporting Success: The Inside Story

The extraordinary performances of Australian athletes, and an awareness of the system that fostered them, came to the worlds attention during the Sydney Olympic Games in 2000. In this informative book, John Bloomfield traces the development of sport in Australia from the early 19th century through to the modern day institutions that drive Australias highly successful sports system.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
