

Not Just SEX

Take a ride into the life of Donathan Breyer during his last days of high school. On the surface we find a young man at the onset of his sexual peak. Looking deeper we discover his life is much more risky and complicated than it should be. Don wants to do right, but the wrong crowd follows him throughout his young life, even on his potential death-bed in his hospital room. As the story continues, the focus turns on Johnny. He is an angry young teenager bent on revenge. He soon finds out that he is not the angriest one around. Murder, rape, bisexuality, and even homosexuality abounds in this book. But as the title states, its Not Just SEX!
