

The Dream Experience: A Systematic Exploration

The Dream Experience provides the mental health professional with a systematic scientific basis for understanding the dream as a psychological event. Milton Kramer's extensive research, along with the findings of others, establishes that dreams are structured, not random, and linked meaningfully to conscious events in daily life and past memories. The book explores this link between dreams and consciousness, providing a review of information about normative dreaming, typical or repetitive dreams, and nightmares, while also showing how mental health professionals can use dream content in therapy with clients. Kramer's book is an illuminating description of dreaming for dreamers, therapists and neuroscientists.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
