

Shamanic Plant Medicine - Salvia Divinorum: The Sage of the Seers

The Shamanic Plant Medicine series acts as an introduction to specific teacher plants used by shamans in a variety of cultures to facilitate spirit communion, healing, divination and personal discovery, and which are increasingly known, used and respected in Western society by modern shamans as a means of connecting to spirit. Salvia is the shamanic plant of Mexico. It is known particularly for its divinatory powers but it also has the ability to heal and, more extraordinarily, in modern usage it provides access to inter-dimensional travel and the ability to move through time. The shamanic applications of Salvia are currently little known outside of Mexico but, along with Ketamine and Ecstasy, it has become one of the most popular drugs on the planet among teenagers who have little or no understanding of how to use its powers in a positive and effective way or the potential dangers of using it recreationally. This book therefore serves as a much-needed introduction to this powerful plant.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
