

My True Love Sent to Me

Set in the magical world of medieval romance, this enchanting collection of stories takes the verses of the familiar carol and transforms each one into a tale of fantasy, adventure and love. This clever anthology explores the ins and outs of love in many fantastic settings. Twelve handsome knights are imprisoned by a lady, while eleven homely ladies are set free by a knight. Twin brothers are destroyed by love, and love is endangered by well-intentioned brothers. First love, lost love, fiery passion and affection grown cold-all can be found in this spellbinding collection of magical fairy tales. 4 Hearts - Ms. Hopkinson does a great job weaving this well known song into twelve stories of knighthood, fair maidens, medieval history and fantasy that is fun reading. - Dee Dailey, The Romance Studio (www.theromancestudio.com)

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
