

Surviving Mother

Just as Deb and her mother Estelle are learning how to mesh their individual lives together, nature's destructive hand comes down, leaving them to wait for a new hope, and help from unexpected others. In SURVIVING MOTHER Gwen Head has written a story of life struggles, tragedy, and getting one's life back together to move forward. Written with the caregivers of the world in mind, Head takes the reader into a daughter's and mother's life struggles, doubts, and hardships as they deal with the emotional ups and downs of living with Alzheimer's Disease. In SURVIVING MOTHER we can all find a little inspiration that, in the end, we can all overcome even the toughest obstacles. Excellent subject, timely and very well written. I would highly recommend it to all interested readers.~ Shirley Lyles, former Mason, Texas Librarian and San Angelo Standard Times Newspaper columnist. Once I got to know the characters, I found I couldn't put it down. It's a pretty accurate depiction of what happens when your parent becomes your child. It is something none of us can prepare for. For a person like Deb, who has never had children, it can be overwhelming. Ms. Head adeptly fleshes out her disparate characters, makes you fall in love with them, root for them, cry with them, and takes you on a journey that is profound. It is at times painful, funny, and completely fascinating. It begs a sequel. I cannot wait to read it.~ K. Michiel Cavuoti, Registered Nurse

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
