

Experiencing Gods love in the -DEEP, SOULFUL PLACES

Elizabeth Pierce takes you on a journey of discovering the deep, soulful places where Gods presence can be known and His love felt. God created places within us meant only for Him and His love. Yet they are places that often remain untouched by Him, despite His desire to meet us there, because our heads get in the way. We know of His love, but have yet to feel it deep within. His love is intended to touch the places in us where we have the need for no condemnation, no fear, freedom, rest, worth, intimacy, and to be cherished by One whose love knows no limits. And when a woman understands that she is so loved, she is then able to know where her worth lies, and those deep, soulful places are finally filled. Psalm 42:7 Deep calls to deep
