

## Gay Romance in Majorca

The loveliest person ever sits next to you on the plane. But hes in the wrong seat. You lose him, only to find him again, then lose him in the crowd... This is the story of English Daniel, 23, and French Daniel, 22, on holiday separately, then together, in Majorca or on Mallorca. Of their complex love tri-tangle with 18-year-old Dunk and their discovery in the end that only Daniel will do. Of how their holiday romance grows into something stronger, and how their holiday island becomes their home.
