

Pulled Beneath (The Bar Harbor Series Book 1)

After her parents are brutally murdered, Drew Stevens finds her world turned upside down. With doors opening all around her, she has more unanswered questions than she knows what to do with. And everything she thought she knew, has been a lie. As the truths continue to unravel, she stumbles upon Saint, a guy whose reputation is as tumultuous as his past. His scars are too deep, and Drews are so fresh, they have the power to heal each others painful wounds. But the very thing that brings them together is the same thing that keeps them emotionally caged. Can they work through their differences, or will they be Pulled Beneath the darkness of their pasts?
